REQUEST FOR REFUND

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This request for a refund is being filed in response to the Notice of Improper Request for Continued Examination mailed on January 3, 2008. On September 28, 2007, Applicants inadvertently submitted a request for continued examination when filing an amendment in the above-noted application. Because the prosecution in the application is not closed, continued examination does not apply and accordingly, Applicants respectfully request the Office issue a refund in the amount of \$790.00 to Miller, Matthias & Hull.

Respectfully submitted,
MILLER, MATTHIAS & HULL
